We provide a healthy, organic snack every morning. All children bring their own lunch.

When families enroll their 2-year-old, we expect that they are intending to send their child for their preschool years, from ages 2-5. We start at 2 years old to offer consistency for the children and we know most preschools begin at 3 years old. Please be upfront with us if you intend to send your child to another preschool when they turn 3 years old.

We (mostly) follow the Minneapolis public school calendar for holidays, breaks, and school closures.

Full monthly tuition is due each month, even in the event of child absences due to illness or travel and during school vacation closures. When a family joins our school, we consider it to be a commitment for the entire school year. If you decide to leave mid-year, you will be required to pay 25% of the remaining tuition for the current school year. The financial commitment begins on August 1<sup>st</sup>, 2025, so you need to let us know before August 1<sup>st</sup> if you are leaving or you will be charged 25% of the tuition for the school year.
